Is there anything as wonderful as the fragrance of Spring!
Freshly mown grass, lilies of the valley, the scent of LILACS
Maybe Mother Teresa was sitting in a garden when she penned her prayer about the “Fragrance” of the Spirit ???

Part of that beautiful prayer was put to music by René Clausen and sung by our own choir on Palm Sunday last year ... the loveliest, most EXQUISITE music — paired with

words we all might contemplate as we begin each day.

“Dear Jesus...

Help me spread your fragrance wherever I go

Flood my soul with your spirit and life...

Penetrate and possess my whole being so utterly

That my life may be only a radiance of yours...

Shine through me — and be SO in me that every soul I know

Will feel your presence in my soul...

Let them look up and see — no longer me —

But only ... you. “

Amen and Amen
