It has been said that “where words fail, music speaks...”

There is a moving anthem that our choir has sung which has been playing over and over in my head in recent days it is “How Long” by Pepper Choplin.

Let me share some of the lyrics:

“How long until this world is free from suffering?

How long until blessed peace shall reign?

How long until the power of love will come and heaven’s will be done?

How long until every gun is silenced?

Until hate and war shall end ?

Until every battle’s thunder will fade to blessed peace and sounds of war shall cease?

How long? How long?

Press on, Press on...

Let faith and hope sustain you!

Keep working for the day when all of God’s children will live in peace as one.

Until that new day comes, send me.

Send me,“

Some time during this day, set aside a few moments ... copy and paste the link below into your browser ... close your eyes and just allow the music to touch your soul ... and let the words become a prayer within your heart.
